MEDIA ADVISORY: Press Conferences, Photo Opportunities & Announcement Schedule 2016 C40 Summit

The sixth biennial Mayors Summit, C40's flagship event, will take place in Ciudad de México from November 30 – December 2, 2016. Hosted by Mayor of Ciudad de México Miguel Ángel Mancera and led by C40 Chair, Mayor of Rio de Janeiro Eduardo Paes and Chair-elect Mayor of Paris Anne Hidalgo, the event draws mayors and leading thinkers from around the world to advance a shared agenda through collaboration and knowledge sharing, and increase visibility about the global potential of climate actions in cities.

The C40 Mayors Summit provides a unique opportunity for city leaders to share ideas for reducing and creating sustainable and liveable cities for citizens. In addition, winners of the annual [2016 C40 Cities Awards](#) – which provides global recognition for cities that are demonstrating climate action leadership – will be announced alongside the Summit at a ceremony on the evening of December 1.

Attendees include nearly 50 C40 mayors and deputy mayors from all over the world and hundreds of urban and sustainability leaders who are committed to taking meaningful action on climate change. Speakers include nearly 40 mayors from the world's largest and most influential cities; business leaders of Fortune 500 companies; elected officials at all levels of government; prominent NGO leaders; internationally renowned climate experts; and celebrity activists.

For members of the media wishing to cover the event, a schedule of key announcements, press conferences, photo opportunities and press logistics is below.
